

C STREET NE IMPLEMENTATION PROJECT

PROJECT BACKGROUND

The C Street NE Implementation Project was designed to improve safety and comfort along the project corridor for all right-of-way users, while ensuring improvements to neighborhood connectivity and mobility for all modes throughout the project area. The project is located in Ward 6, Washington, D.C. and extends along C Street NE from 14th Place NE to 22nd Street NE and North Carolina Avenue NE from 14th Street NE to 16th Street NE.

PROJECT OBJECTIVE

The C Street NE Implementation Project will improve overall safety for pedestrians, motorists and cyclists along the C Street NE corridor.

PROJECT HIGHLIGHTS

- Improved overall pedestrian safety
- Installation of protected bicycle lanes
- Curb extensions and raised sidewalks
- ADA compliant intersections
- Traffic calming measures
- Improved bus operation
- Improved traffic signal operation
- Upgraded street lighting
- Enhanced streetscape and green spaces
